

HIV/AIDS Support Group

Led by one of Full Circle Health's Licensed Clinical Social Workers, our open group sessions are available to all our adult patients who are living with HIV/AIDS. Providing compassion and understanding is at the forefront of our care; let us help by offering ways to support one another in a confidential group setting.

Group Topics:

We will discuss various topics related to HIV/AIDS, including: grief, how to navigate disclosure, provide resources, discuss relationships, and more.

JOIN US

FREE, Every Wednesday
starting Wednesday, March 6th

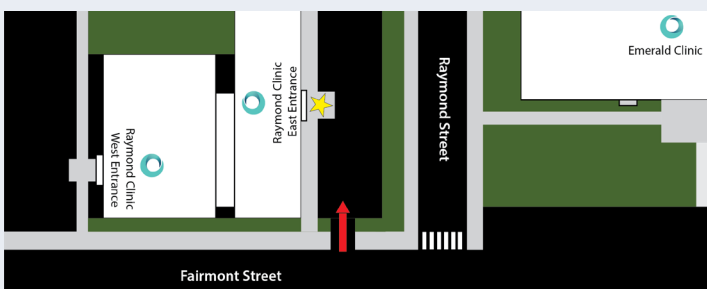

6:00 PM - 7:30 PM

Raymond Clinic - East Entrance
(777 N Raymond Street, Boise, ID 83704)
Conference Room (#2)

Open Doors. Open Minds. Open Hearts.
We're Here For You.
